

Potashville Pro-Life Association

and the

Esterhazy Knights of Columbus

Presents

Pro-Life Political Role

The political arm of the pro-life movement is the Campaign Life Coalition. Our guest speaker, Denise Hounjet-Roth is the president of the Saskatchewan branch. She strongly advocates involvement in the political process and strives for laws that would protect the most vulnerable in our society, the unborn.

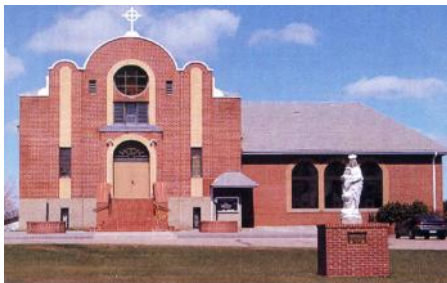

Denise taught with Saskatoon Catholic Schools for 28 years and since her retirement, devotes most of her time in pro-life work. She is married to Louis and they have two adult boys. Gregory will be ordained in the spring, and Jonathan an apprentice in carpentry.

On Thursday January 19, 2012 in the auditorium of Our Lady of Victories in Esterhazy, mark your calendar and plan to attend this great opportunity to learn how you can make a difference in the lives of the most vulnerable of our society.
